

**Dr. Robert A. Guerriere Award In Chemical Engineering - \$2,000**

**Application Deadline: Friday, September 23<sup>rd</sup>, 2016 (by 4:30pm).**

**For a student who has completed the final year of the undergraduate Chemical Engineering Co-Op Program and is enrolled full-time in a registered post-graduate program**

**Faculty of Engineering, Architecture and Science**

### **Dr. Robert A. Guerriere Award**

Demonstrates outstanding academic achievement in the final year of the chemical engineering undergraduate studies at Ryerson; applies to, is accepted to and registered in a postgraduate program (preferably at Ryerson) in the year following graduation; demonstrates financial need.

### **Eligibility and Application Process**

Applicants must meet the following criteria:

- Have a record of outstanding academic excellence in their final year,
- Application to and acceptance in a post-graduate program in the year following graduation from Ryerson University
- Canadian citizen, permanent resident or protected person
- Resident of Ontario
- Demonstrated financial need through the completion of an OTSS Student Budget.

### **Adjudication**

The Department of Chemical Engineering Awards Committee will recommend the name of a candidate to the Chair for final selection. All prospective recipients of the award must complete a detailed budget that demonstrates financial need.
