

MASc Excellence Award - Application Form

The MASc Excellence Award is presented annually to a student registered in the second year of the Chemical Engineering MASc program for demonstrated excellence in academic and research. The following application form is required for each student wishing to be considered for this award. Applicants must have a minimum CGPA of 3.67 (A-) on MASc courses completed as of August 31st in the prior academic year. Award selection will be based on the highest academic and research achievement as demonstrated by grades, number of courses completed and scholarly publications.

DUE FRIDAY, SEPTEMBER 23rd, 2016. TO BE SUBMITTED TO LOUISE LICHACZ IN KHS241-F.
