

Ph.D. Excellence Award - Application Form

The PhD Excellence Award is presented annually to a student registered in the second, third and fourth year of the Chemical Engineering PhD program for demonstrated excellence in academic and research work. The following application form is required for each student wishing to be considered for this award. Applicants must have a minimum CGPA of 3.67 (A-) on PhD courses completed as of August 31st in the prior academic year. Award selection will be based on the highest academic and research achievement as demonstrated by grades, number of courses completed and scholarly publications. The application package for the PhD Excellence award consists of two items - this application form (2 pages if required for publications list) and a 2 – 3 page research abstract.

DUE FRIDAY, SEPTEMBER 23rd, 2016. TO BE SUBMITTED TO LOUISE LICHACZ IN KHS241-F.
